# Towel Warmers

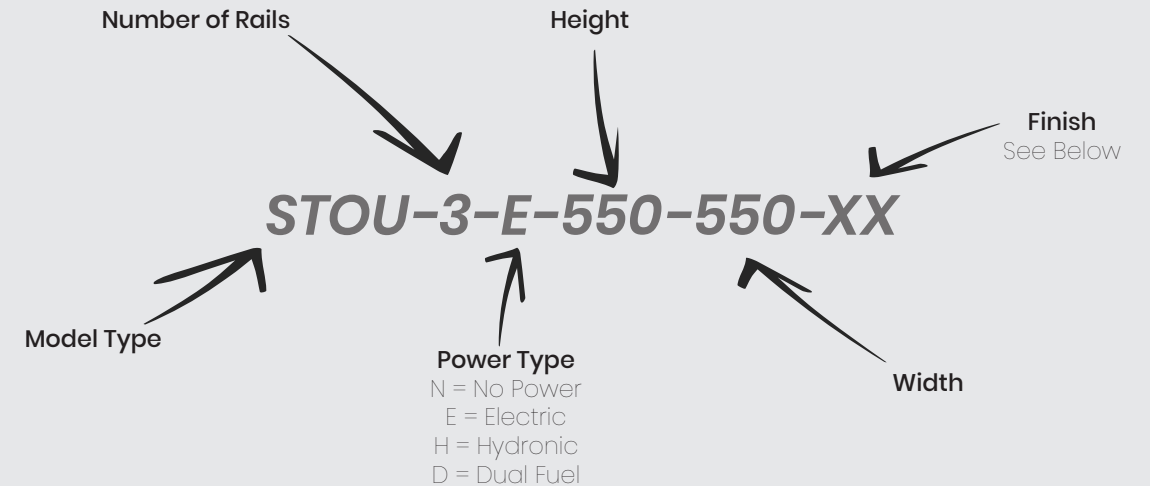

*“A Sterlingham piece is an investment – an ‘antique of the future’ – and is unlikely to ever be discarded.*

*The Rolls Royce of towel warmers and washstands.”*

**Johnny Hackett**  
**Hackett & Holland, London**

**THE STERLINGHAM CO. LTD.**

## The Anatomy of a Towel Warmer Part Number

All of our Towel Warmers are available with custom number of rails, height, width and depth. Technical Drawings for standard parts are available via our website and customer portal, custom drawings are available upon request.

For electric towel warmers we recommend a dimmer switch is installed to control the temperature during the summer months.

The prices for electric towel warmers on the following pages include the dry line heating cable which exits from a wall or floor mount of your choice and with a cable length to suit your installation requirement (as standard it is bottom right and 3m exit cable).

For dual fuel towel warmers the prices shown include the stick heating element.

For hydronic and dual fuel models all valves, pipe covers, and cable cover shrouds are additional purchases – please see Ancillary Items page.

### Finishes Available:

**UB** = Unlaquered Brass, **CP** = Polished Chrome, **BC** = Brushed Chrome, **BB** = Brushed Brass, **NP** = Polished Nickel, **BN** = Brushed Nickel, **LB** = Light Bronze, **LAB** = Light Antique Bronze, **MB** = Medium Bronze, **MAB** = Medium Antique Bronze, **DB** = Dark Bronze, **DAB** = Dark Antique Bronze, **MWP** = Matt White Powder Coat, **MBP** = Matt Black Powder Coat, **GP** = Polished Gold, **AG** = Antique Gold, **BG** = Brushed Gold

For More Information About Finishes See the General Information Section of this Binder.

# Custom Wash Stands

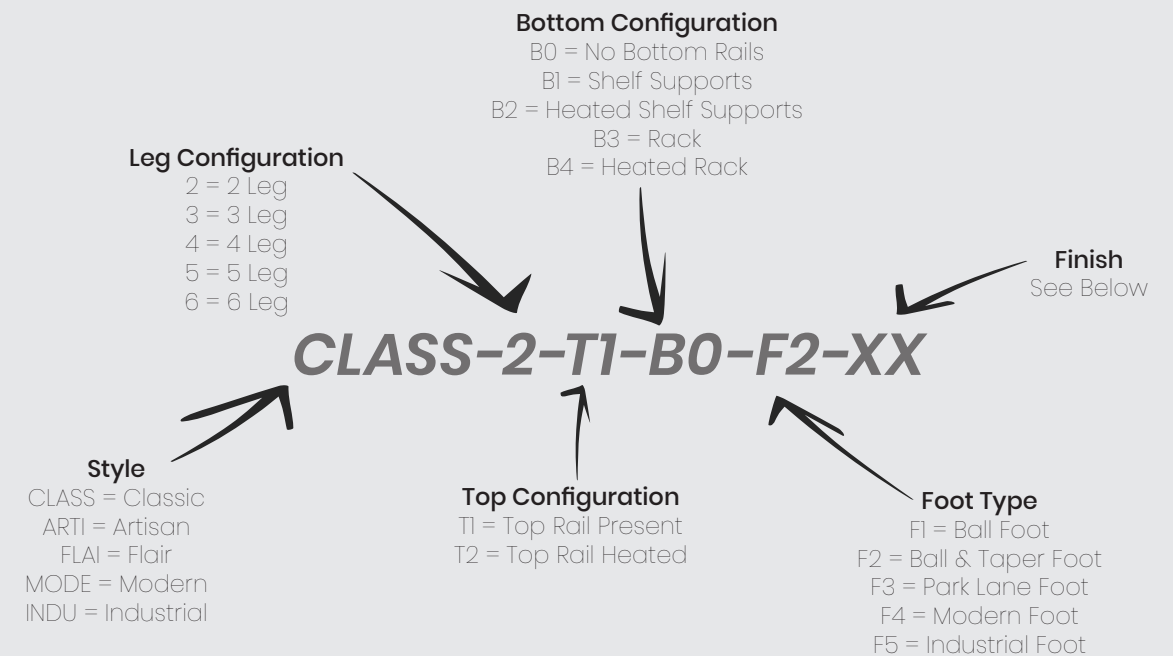

*“The fact that the product range can be tailored exactly to your space or the clients requirements is highly advantageous, compared to other brands.”*

**Andrew Alexander-Hughes**  
Onepercent, Malta

**THE STERLINGHAM CO. LTD.**

## The Anatomy of a Washstand Part Number

Our custom ranges of washstands are identified by the style (Classic, Artisan, etc). Each style is available as 2, 3, 4, 5 or 6 leg and are available as standard, with shelf supports, or with rack. Heating options are available throughout. As with our towel warmers the styles, leg configurations and layout of the stands shown here are just a small sample of what we can manufacture. If you can't find what you require within these pages please send us a sketch or an explanation of what you need and we will review and advise whether we are able to produce for you.

All Sterlingham Washstands include a support angle for fixing to the wall and supporting your chosen top, finished the same as the stand supplied.

All of our stands include at least a 10mm foot adjustment for installation on uneven floors.

Technical Drawings are required to be signed off by the customer prior to any production being started.

### Finishes Available:

**UB** = Unlaquered Brass, **CP** = Polished Chrome, **BC** = Brushed Chrome, **BB** = Brushed Brass, **NP** = Polished Nickel, **BN** = Brushed Nickel, **LB** = Light Bronze, **LAB** = Light Antique Bronze, **MB** = Medium Bronze, **MAB** = Medium Antique Bronze, **DB** = Dark Bronze, **DAB** = Dark Antique Bronze, **MWP** = Matt White Powder Coat, **MBP** = Matt Black Powder Coat, **GP** = Polished Gold, **AG** = Antique Gold, **BG** = Brushed Gold

For More Information About Finishes See the General Information Section of this Binder.

FOR HEATED BOTTOM RACK (CHANGE B3 TO B4) + £420.00

## Product Notes

Our Classic range features 32mm Diameter tube and Classic round ball joints. Where a rack is ordered, the rack tube is 22mm Diameter. 82mm Classic Escutcheons each with 3 wall screws are featured.

All prices shown are RRP (excl. VAT). Price changes for width and finish changes only. Price remains the same for any height or depth.

A support angle for fixing to the wall and to support your top is included with each stand and is finished the same as the stand choice.

All stands have a foot adjustment of 10mm for uneven surfaces. All feet include a 6mm diameter pin which we recommend is installed in to the floor for safety.

For stand with shelf support we are able to provide glass or marble shelves, enquire for price.

Without Wall Stays (Unavailable For Heated Stands)

## Product Notes

Our Classic range features 32mm Diameter tube and Classic round ball joints. Where a rack is ordered, the rack tube is 22mm Diameter. 82mm Classic Escutcheons each with 3 wall screws are featured.

All prices shown are RRP (excl. VAT). Price changes for width and finish changes only. Price remains the same for any height or depth.

A support angle for fixing to the wall and to support your top is included with each stand and is finished the same as the stand choice.

All stands have a foot adjustment of 10mm for uneven surfaces. All feet include a 6mm diameter pin which we recommend is installed in to the floor for safety.

For stand with shelf support we are able to provide glass or marble shelves, enquire for price.

### Product Notes

Our Artisan range features 32mm Diameter tube and straight joints. Where a rack is ordered, the rack tube is 22mm Diameter. 82mm Classic Escutcheons each with 3 wall screws are featured.

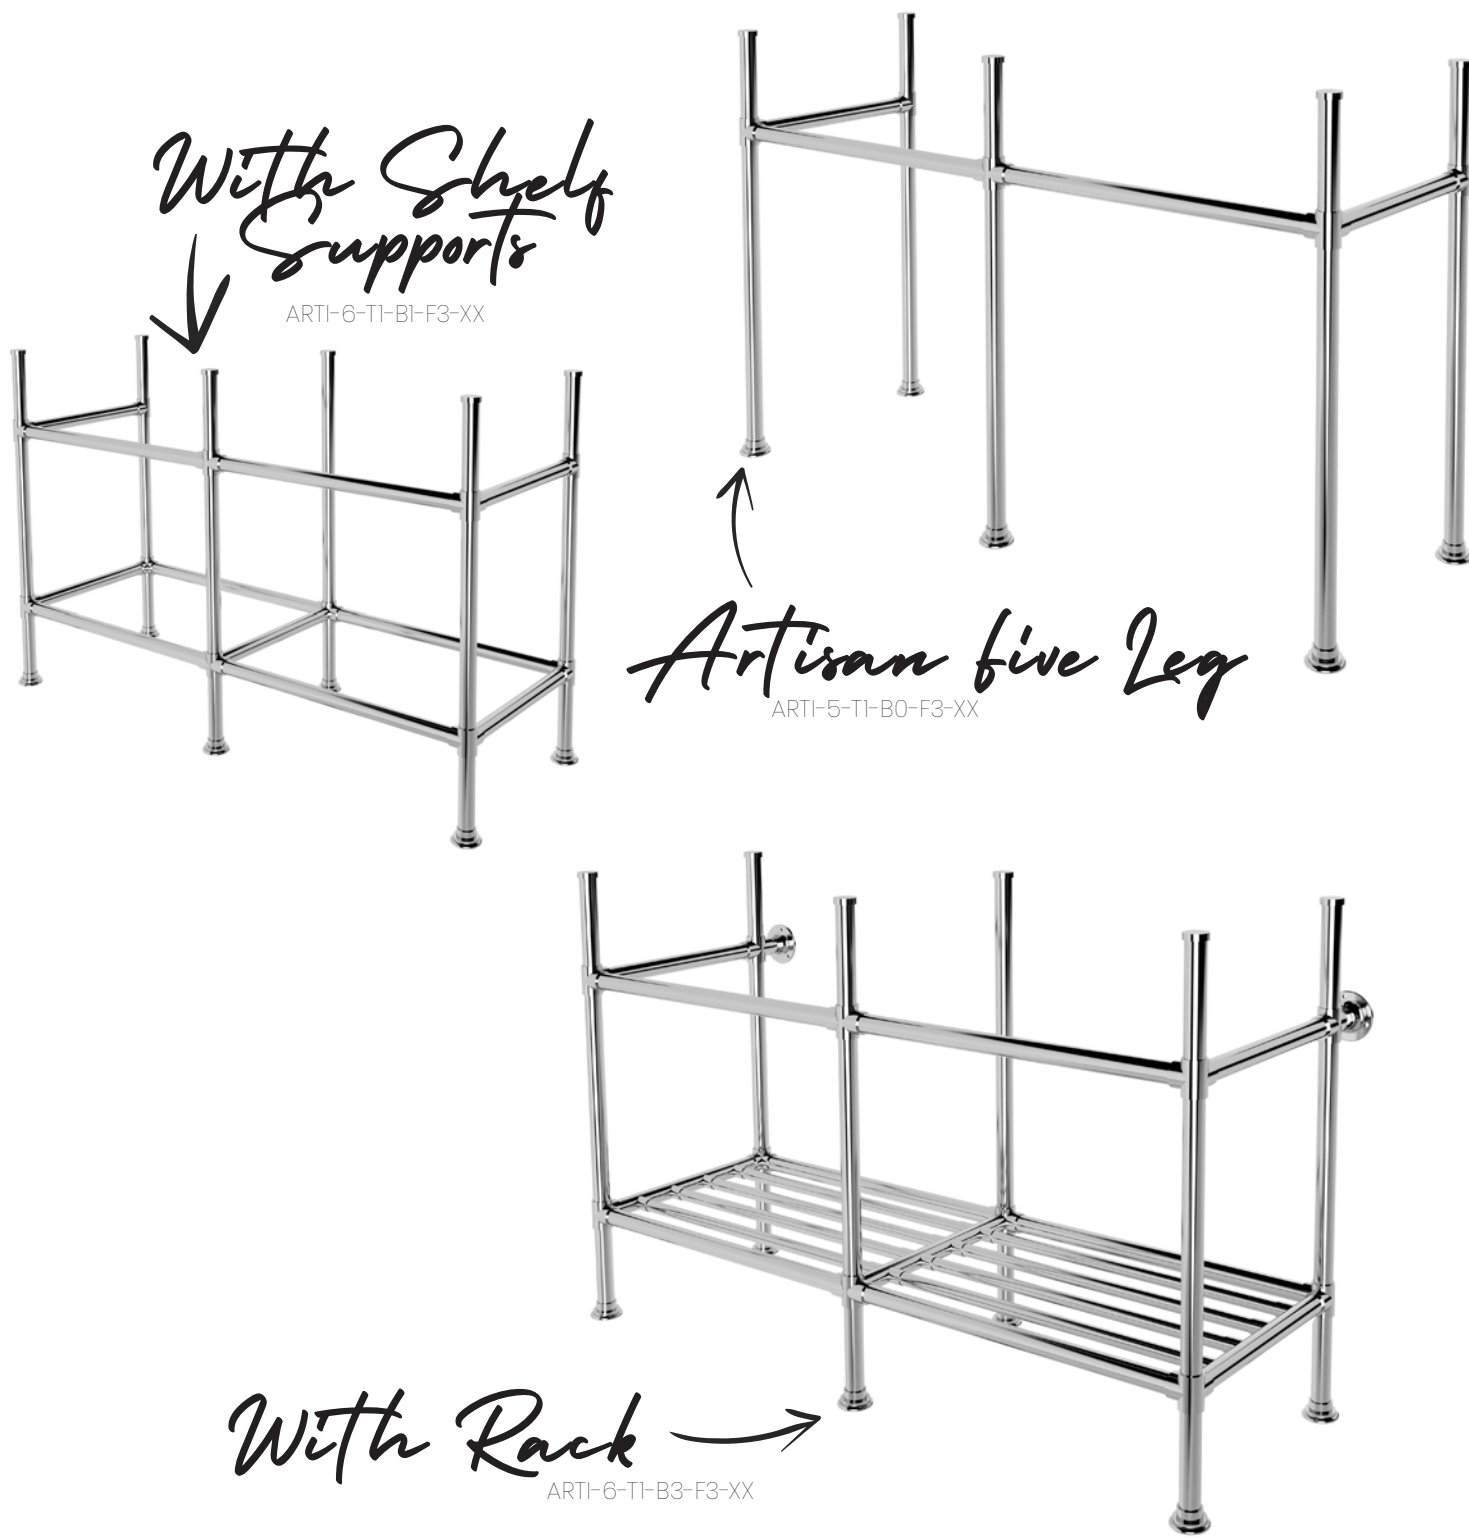

All prices shown are RRP (excl. VAT). Price changes for width and finish changes only. Price remains the same for any height or depth.

A support angle for fixing to the wall and to support your top is included with each stand and is finished the same as the stand choice.

All stands have a foot adjustment of 10mm for uneven surfaces. All feet include a 6mm diameter pin which we recommend is installed in to the floor for safety.

For stand with shelf support we are able to provide glass or marble shelves, enquire for price.

All prices shown are RRP (excl. VAT). Price changes for width and finish changes only. Price remains the same for any height or depth.

A support angle for fixing to the wall and to support your top is included with each stand and is finished the same as the stand choice.

All stands have a foot adjustment of 10mm for uneven surfaces. All feet include a 6mm diameter pin which we recommend is installed in to the floor for safety.

For stand with shelf support we are able to provide glass or marble shelves, enquire for price.

FOR HEATED TOP RAIL (CHANGE T1 TO T2) + £294.00  
FOR HEATED BOTTOM RACK (CHANGE B3 TO B4) + £525.00

## Product Notes

Our Modern range features 32mm Diameter leg tube and 25mm Diameter horizontal tubes. Where a rack is ordered, the rack tube is 22mm Diameter. 50mm Contemporary Escutcheons are featured.

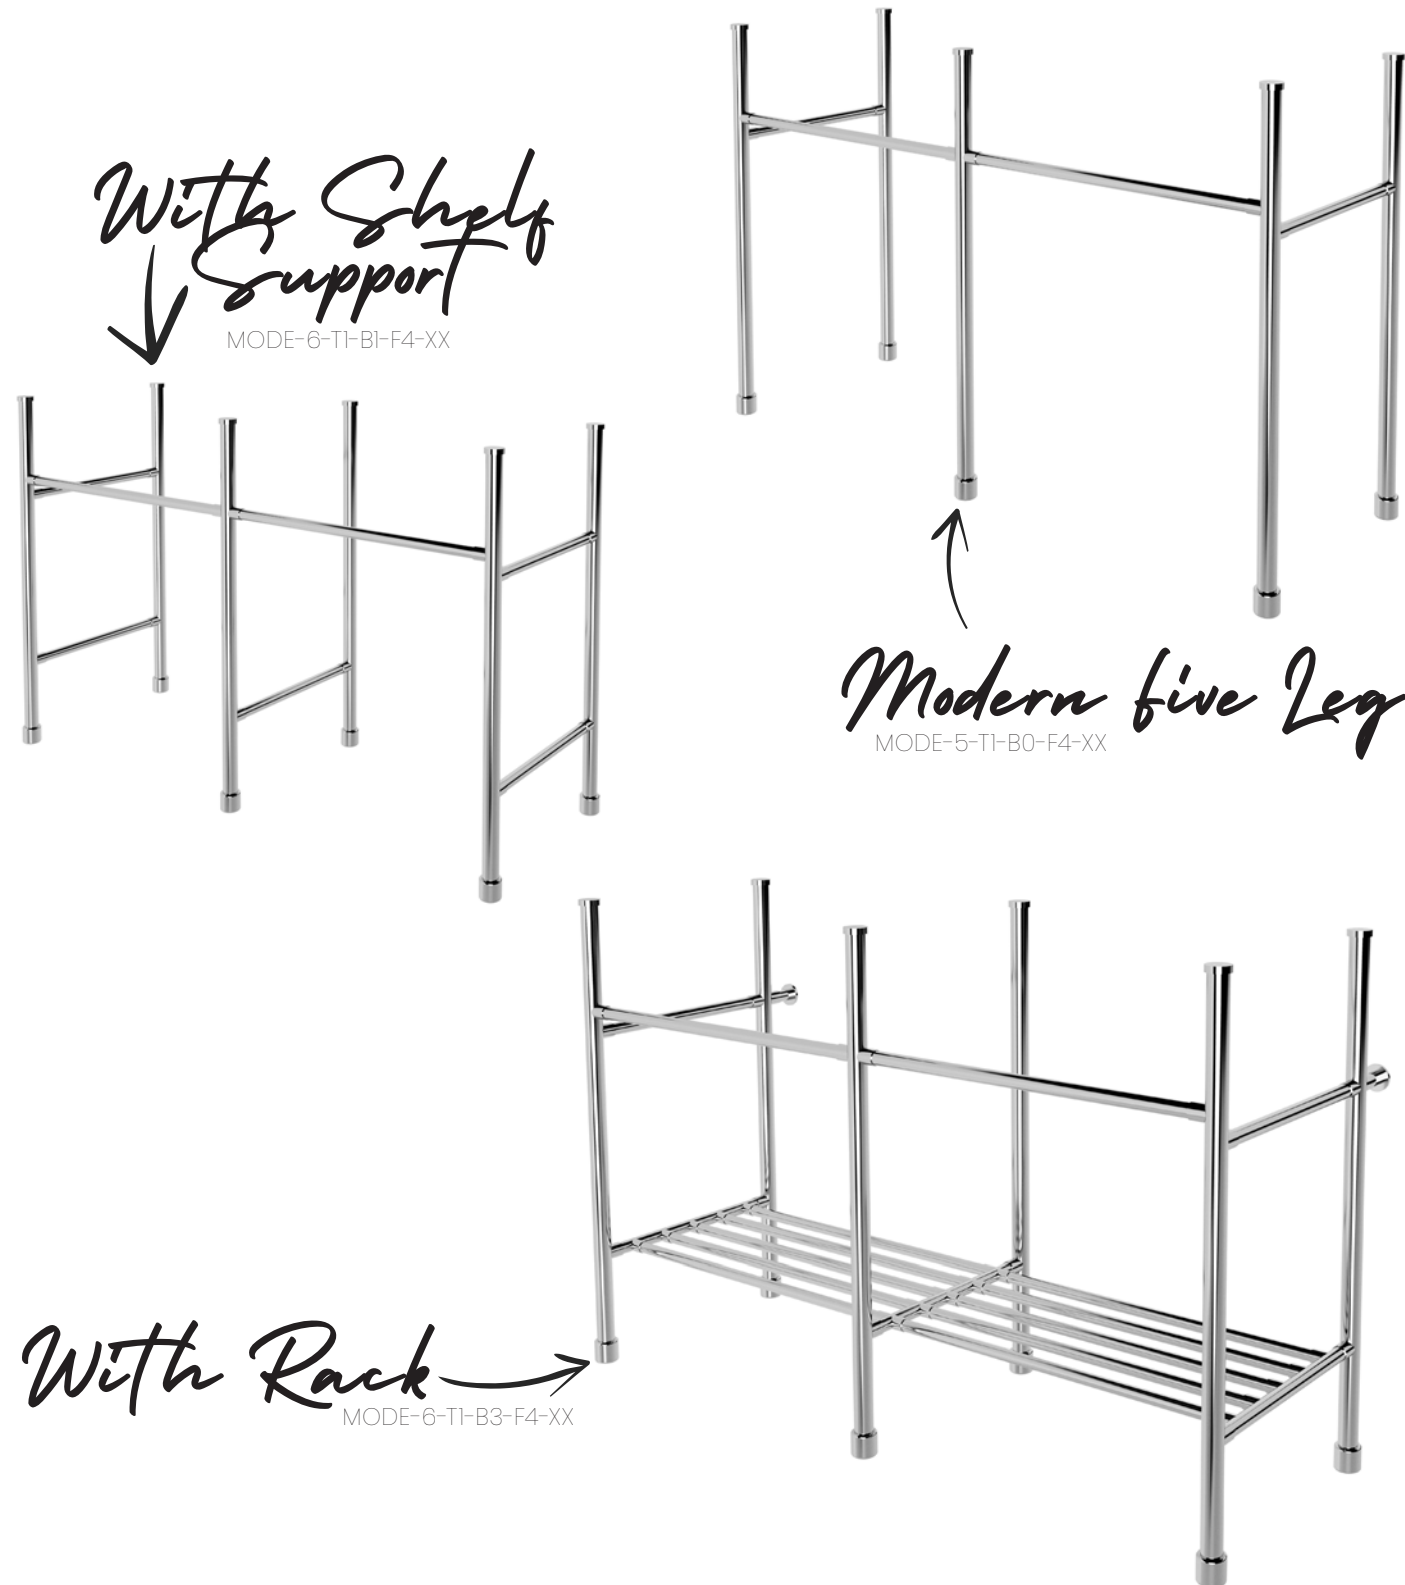

All prices shown are RRP (excl. VAT). Price changes for width and finish changes only. Price remains the same for any height or depth.

A support angle for fixing to the wall and to support your top is included with each stand and is finished the same as the stand choice.

All stands have a foot adjustment of 10mm for uneven surfaces. All feet include a 6mm diameter pin which we recommend is installed in to the floor for safety.

For stand with shelf support we are able to provide glass or marble shelves, enquire for price.

# finish Options

For physical samples of our finishes please see our finish sample box.

Along with our standard finishes we have successfully matched our brassware to other manufacturers finishes for many years. Please contact us for our information regarding a particular finish you are specifying or quoting.

## Unlacquered Polished Brass (UB)

Is a hand polished finish of the base metal and if cleaned regularly it can be maintained as the same finish as out of the box. However, many chose this finish to allow it to develop to its own natural patina over time. Due to the variations in the raw material itself there will be a small degree of variation in finish between components.

## Brushed Brass (BB)

Becoming more popular in recent years, like Unlacquered Brass this finish will develop its own patina over time. The finish is achieved by using a sateen polishing mop to grain the surface of the brass. The brush marks reduce the shine of the brass and leave a more subtle, elegant look. Newly finished, the product will have a light, brushed, brass finish but over time the brass will patinate giving a darker look.

## Polished Chrome (CP)

Is our most durable finish as is ever popular due to its mirror finish created by the highly polished, smooth brass surface it is applied to. Chrome is considered a contemporary finish but we think it looks good on anything and everything!

## Polished Nickel (NP)

With its warmer tones polished nickel is a favourite option for many of our customers worldwide. Polished Nickel has a deep lustre with an ever so slight hint of yellow and is mainly used in classic designs. This finish if left will tarnish over time so regular cleaning is required to keep its lustre.

## Brushed Nickel (BN), Brushed Chrome (BC), Brushed Gold (BG)

Once plated to a polished, plated finish we sateen the surface to a brushed finish and an overall more contemporary feel.

## Bronze Living Finishes - Light Bronze (LB), Medium Bronze (MB), Dark Bronze (DB), Gun Metal (GM), Light Antique Bronze (LAB), Medium Antique Bronze (MAB), Dark Antique Bronze (DAB)

These bronze finishes have been created to give the patina that would naturally take months and years to achieve. Each of our bronze (& Gun Metal) finishes start at its most darkest shade and is then eased back as required by hand creating subtleties on each piece. The finish is sealed with wax which must be maintained through time and use. Due to the reaction of the bronzing solution with the brass base metal and the fact that any antiquing is done by hand there will always be a degree of variation between components.

## Polished Gold (GP) & Antique Gold (AG)

A solid gold finish applied on top of copper and nickel, but remember gold is an extremely soft metal and due care is required when cleaning. Antique Gold is a more subtle gold finish, almost nickel like.

## Matt White Powder Coat (MWP) & Matt Black Powder Coat (MBP)

Powder Coating is extremely durable and if the right colour is applied to the right product and placed in the right environment it can really deliver something spectacular! Whilst we only have two main options of white and black we are able to match most RAL colours.

# Terms & Conditions Of Sale

## I. Definitions

In this document the following words shall have the following meanings:

1. "Buyer" means the organisation or person who buys Goods
2. "Goods" means the articles to be supplied to the Buyer by the Seller;
3. "Intellectual Property Rights" means all patents, registered and unregistered designs, copyright, trade marks, know-how and all other forms of intellectual property wherever in the world enforceable;
4. "Seller" means Sterlingham Co Ltd, Units 2 & 2a Stamford Street, Amblecote, Stourbridge, West Midlands, DY8 4HR

## II. General

1. These Terms and Conditions shall apply to sales of Goods by the Seller to the Buyer to the exclusion of all other terms and conditions referred to, offered or relied on by the Buyer whether in negotiation or at any stage in the dealings between the parties, including any standard or printed terms tendered by the Buyer, unless the Buyer specifically states in writing, separately from such terms, that it wishes such terms to apply and this has been acknowledged by the Seller in writing.
2. Any variation to these Terms and Conditions (including any special terms and conditions agreed between the parties) shall be inapplicable unless agreed in writing by the Seller.

## III. Price and Payment

1. The price shall be the Recommended Retail Price less agreed discount, unless otherwise agreed in writing between the parties. The price is exclusive of VAT or any other applicable costs.
2. Credit terms may be offered subject to satisfactory credit vetting of the Buyer by the Seller. The offer of credit will be at the sole discretion of the Seller.
3. Where credit is offered payment of the price and VAT and any other applicable costs shall be due within 30 days of the date of the invoice supplied by the Seller, unless otherwise agreed in writing. In cases where credit is not offered payment will be required before release of goods by the Seller.
4. The Seller shall be entitled to charge interest on overdue invoices from the date when payment becomes due from day to day until the date of payment at a rate of 2 per cent per annum above the base rate of the Bank of England.
5. If payment of the price or any part thereof is not made by the due date, the Seller shall be entitled to:
  1. Require payment in advance of delivery in relation to any Goods not previously delivered;
  2. Refuse to make delivery of any undelivered Goods without incurring any liability whatever to the Buyer for non-delivery or any delay in delivery;

## IV. Description

Any description given or applied to the Goods is given by way of identification only and the use of such description shall not constitute a sale by description. For the avoidance of doubt, the Buyer hereby affirms that it does not in any way

rely on any description when entering into the contract.

## V. Sample

Where a sample of the Goods is shown to and inspected by the Buyer, the parties hereto accept that such a sample is representative in nature and the bulk of the order may differ slightly as a result of the manufacturing process.

## VI. Delivery

1. Unless otherwise agreed in writing, delivery of the Goods shall take place at the address specified by the Buyer on, or as close as possible to the date required by the Buyer. The Buyer shall make all arrangements necessary to take delivery of the Goods whenever they are tendered for delivery.
2. If the Seller is unable to deliver the Goods because of actions or circumstances under the control of the Buyer, then the Seller shall be entitled to place the Goods in storage until such times as delivery may be effected and the Buyer shall be liable for any expense associated with such storage.
3. Any damages, shortages, over deliveries and duplicated orders should be reported to the Seller within 5 days of signed receipt to enable replacement or refund.

## VII. RISK

Risk in the Goods shall pass to the Buyer upon receipt of the goods. Where the Buyer chooses to collect the Goods itself, risk will pass when the Goods are entrusted to it or set aside for its collection, whichever happens first.

## VIII. TITLE

Title in the Goods shall not pass to the Buyer until the Seller has been paid in full for the Goods.

## IX. RETURN OF UNUSED GOODS

1. All goods are sold on a firm sale basis, i.e. the Seller will not take back any goods not required or sold by the Buyer, unless otherwise agreed, in which case the following terms apply.
2. In the circumstance of a standard size product (those listed in our brochure) being returned the buyer will be responsible for paying a handling fee.
3. Bespoke products (any alteration to those laid out in our brochures) will not be accepted under any circumstance
4. Any returns must be authorised by a representative of the Seller before any credit will be given.
5. Where the Seller agrees to accept the return of goods that are not damaged the Buyer will be responsible for the cost of carriage and will ensure that they are carefully packaged to avoid any damage in transit. The Seller will not be obliged to accept any goods that are damaged in any way. The Seller will only accept returns that appear in the Sellers current Publication List.
6. Credit of amounts due or paid in will only be given for goods that are in saleable condition.

## X. LIMITATION OF LIABILITY

1. The Seller shall not be liable for any loss or damage suffered by the Buyer in excess

- of the contract price.
2. Nothing contained in these Terms and Conditions shall be construed so as to limit or exclude the liability of the Seller for death or personal injury as a result of the Seller's negligence or that of its employees.

## XI. INTELLECTUAL PROPERTY RIGHTS

All Intellectual Property Rights produced from or arising as a result of the performance of this Agreement shall, so far as not already vested, become the absolute property of the Seller, and the Buyer shall do all that is reasonably necessary to ensure that such rights vest in the Seller by the execution of appropriate instruments or the making of agreements with third parties.

## XII. FORCE MAJEURE

The Seller shall not be liable for any delay or failure to perform any of its obligations if the delay or failure results from events or circumstances outside its reasonable control, including but not limited to acts of God, strikes, lock outs, accidents, war, fire, breakdown of plant or machinery or shortage or unavailability of raw materials from a natural source of supply, and the Seller shall be entitled to a reasonable extension of its obligations. If the delay persists for such time as the Seller considers unreasonable, it may, without liability on its part, terminate the contract.

## XIII. RELATIONSHIP OF PARTIES

Nothing contained in these Terms and Conditions shall be construed as establishing or implying any partnership or joint venture between the parties and nothing in these Terms and Conditions shall be deemed to construe either of the parties as the agent of the other.

## XIV. ASSIGNMENT AND SUB-CONTRACTING

The contract between the Buyer and Seller for the sale of Goods shall not be assigned or transferred, nor the performance of any obligation sub-contracted, in either case by the Buyer, without the prior written consent of the Seller.

## XV. WAIVER

The failure by either party to enforce at any time or for any period any one or more of the Terms and Conditions herein shall not be a waiver of them or of the right at any time subsequently to enforce all Terms and Conditions of this Agreement.

## XVI. SEVERABILITY

If any term or provision of these Terms and Conditions is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if these Terms and Conditions had been agreed with the invalid, illegal or unenforceable provision eliminated.

## XVII. GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
